Of WCHS  
Proudly Presents

Strawberry

Forever

Prom was held April 28, 1973 in the Hub Ballroom, Edelstein, Illinois. Most everyone enjoyed a fine dinner in the restaurant of his choice. Then everyone ventured onto the dance floor to swing with the music of "GULLIVER". Even our faculty did the Lindy and the Box. Afterward, everyone went his own way for the remainder of the evening. Picnics highlighted the Sunday afterward. Even the rain didn't dampen our spirits.

THANKS, JUNIORS FOR A NICE PROM!!!

Because of the absence of a director, Wy-Hi had no fall play. However, the spring play made up for this. DON'T DRINK THE WATER, by Woody Allen, provided an amazing array of unknown talent. Denny Rapp played the bumbling ambassador's son. He is called upon to handle the crisis of Marion and Walter and their daughter Susan. These American tourists were thought to be spies, and because of threats on their lives, they were forced to stay at the American Embassy. After much mayhem, the family tries to escape. On the second attempt Marion and Walter make it. Their daughter and Axel decide to get married and everyone goes home happy!

Those who missed this award-winning performance of these fine actresses and actors will have to hope that next year's play will have equal or even better talent to display.

Anyone hungry?

What happened to the bus driver?

The hard working Senior Class took off from the hustle and bustle of school to frolic in the wide open space at Lake Storey, Galesburg, Illinois. The bus ride over was very exciting. When the class arrived at the lake, some went golfing, others went boating, and others played with Frisbees.

No matter what people were doing, everyone enjoyed the outing to its fullest extent! Too bad the sun didn't shine on us.

All this activity sure wore me out.

Home again, home again, jiggity-jig!

# Sports Candids

So ends another year of sports at WY-HI.

It was a year like most years, full of both joy and disappointment. When one looks back upon the Indians of 1972-73 however, he should do so with great pride. Our Indians displayed good sportsmanship as well as a "never give up" attitude which won them many contests. The cheerleaders of the past year also deserve a lot of credit for backing the Indians winning or losing. Indeed, this year's Indians did an admirable job.
